RADIO SPOTS

Below are radio spots for you to pass along to your local radio station.

15 Second

No need to enter your bin with remote grain bin monitoring through AGI BinManager®. Monitor and maintain your grain from anywhere at any time from the palm of your hand with the AGI SureTrack™ app on your phone. Contact **DEALER NAME** at **DEALER CONTACT** today.

30 Second

No need to enter your bin with grain bin monitoring through AGI BinManager®. AGI BinManager cables provide moisture and temperature readings in real-time with data reported directly to our easy-to-use AGI SureTrack™ cloud based platform. Combined with our automated in-bin conditioning you can monitor and maintain your grain from anywhere at any time. Contact **DEALER NAME** at **DEALER CONTACT** today.
