

## NEW BIN UNLOAD INCLINE SUPPORT KIT BULLETIN

<b>ECN ID #</b>	4047
<b>DATE</b>	May 19, 2021
<b>BRAND</b>	Westeel
<b>PRODUCT</b>	Easy Flow 2 U-Trough
<b>MODEL</b>	200068, BU-0103061
<b>DETAILS</b>	We have created an incline support to provide more stability underneath the incline troughs. The part number of the available kit is 202103.

Kit number 202103 has been created to provide increased support and stability underneath the incline portion of the trough. This support kit is available as an option that you can add to your existing bin unload or order with a new one. It is very simple to install and is adjustable to any ground terrain.
