Product Release Bulletin

Horizontal Belt Conveyors

Product: Discharge Assembly on Horizontal Belt Conveyors

Product Overview: Improvements to the discharge assembly will allow longer conveyor lengths to be available and will improve the performance of the lengths previously offered. Additional lengths now offered will be 136', 141' and 146'. As the previous case, not all lengths are available in all applications. A new selection chart has been developed for the product catalog for this purpose.
