

HUTCHINSON/MAYRATH

A Division of **GLOBAL** Industries, Inc.

Bulletin: #16-02

Date: 11/1/2015

Engineering Document s: PRN 2767-1, 2767-2

Product Release Notice

Power Sweep Features

Product: 8" and 10" Standard and HD Power Sweeps

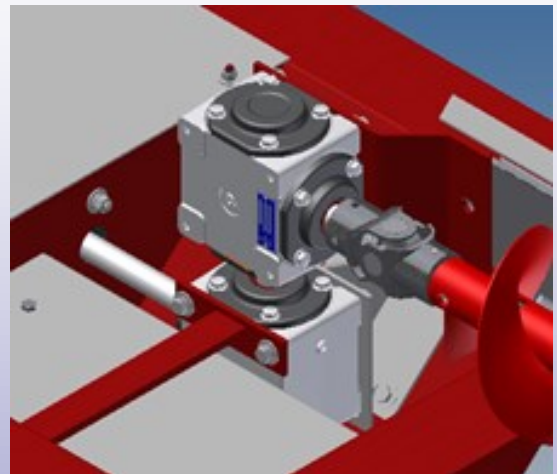

Product Improvement Overview: All new Power Sweeps will now come standard with the new Sweep End - Wheel (PRN 16-01), a new gearbox to reduce the shaft to get the sweep closer to the floor (estimated 1" off bin floor), and extend the flight and shield bundles to get the auger flight and end wheel closer to the bin wall.

Catalog Numbers: All Power Sweep part numbers have been updated to reflect the changes in the bill of materials. Please refer to the standard and commercial bin unload sections of the 2016 catalog for part numbers and pricing.

Manufacturing Start Date: 11/1/2015

- ◆ Gearboxes for the standard power sweeps will be ready to ship by the end of November.

Marking Information: YouTube Channel and Facebook page has a video that displays the new Sweep End-Wheel. Power Sweep literature is being updated and will be available at a later date.
