Product Release Bulletin

Truss-Kits for Grain Pump Loop and Double Runs

Products: 6" Grain Pump Loop
8" Grain Pump Loop and 8" Double Run
10" Grain Pump Loop and 10" Double Run

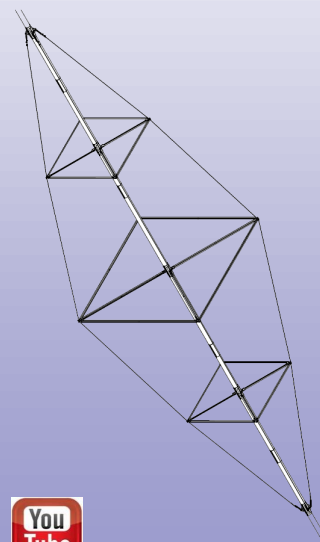

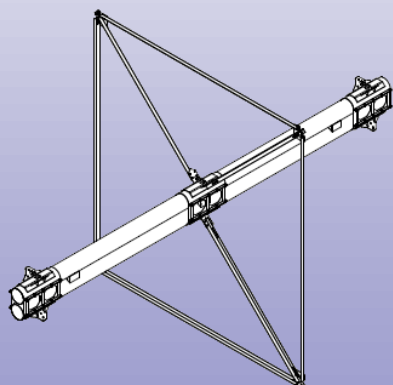

Product Release Overview: The 6", 8", & 10" Grain Pump Loop Truss kits and 8" & 10" Double Run Truss kits are intended to provide structural substructure between the main support system for a loop or double run span up to 100' in length. The kit is designed to safely support its own weight with material flowing through the tube and wind speeds up to 100 mph.

List Price: Please refer to the Grain Pump Loop and Double Run Section of the Catalog for pricing.
