

PRODUCT RELEASE NOTICE – PRODUCT BULLETIN

ID#	PRN 220127 – PROJECT 2982
DATE	1/27/22
BRAND	Hutchinson
PRODUCT	Double Run Grain Pump
MODEL	8", 10", 12"

DETAILS

AGI-Hutchinson is introducing an extended offering of Double Run Grain Pump corners. 30° and 45° corner sections have been added to the Double Run lineup for 8", 10", and 12" sizes. The corners feature separate upper and lower chambers, upper and lower access panels, pillow block bearings, split idler sprocket, and split square to round transitions.

Note: A head drive is required for any corner section.
